Taxi information

Taxi fare from the Zurich Airport to Zug is Sfrs. 110 flat fee (i.e., approximately £42). It is cheaper, easier and faster to take the train, which goes directly from the airport to Zug every hour (transfer time: 55 minutes). You can then take a taxi from the station to the office in five minutes.

Directions

From the highway (either from Zurich or Lucerne):

Take exit Zug. Follow the road right into Zug; from there go to Gotthard. Turn left at the road sign for Aegeri, and follow road up hill. After about 500 meters, turn right at the road sign - Rosenberg. This narrow road will lead directly to the KSA office, which is located opposite the Rosenberg Restaurant.
